

Secrets of Intimacy

Some Stories Should Last Forever

JASON SCHUBERT

A return to the cabin. A secret still waiting. A past with more to uncover. Some love stories are never finished.

Nearly three years after a chance encounter first brought them together, the couple returns to the cabin where their story began, finding a trail of hidden clues that leads them on an unexpected journey of adventure, passion, and intrigue.

Each turn pulls them deeper into a mystery from the past and challenges the love they've been building, and they learn that love is not only about being seen. It's about choosing each other, again and again. It stands on its own, and continues the story begun in *Seasons of Intimacy*.

ESTABLISHED COUPLE · MYSTERY · TREASURE HUNT · LOVE LETTERS · POETRY

FROM THE PAGES

*It's not only what I see in you, my visions deep and real,
It's far beneath the surface, because it's how you make me feel.
While your outward beauty shines, always second to none,
The beauty that I see, and feel, has only just begun.*

"The chemistry between the characters is undeniable, while still feeling natural."

Melissa Kassens, Owner, Verboesity Bookhouse, Port Washington, WI

"Romance, mystery, and a treasure hunt centered around a lost love story."

Amazon reviewer

JASON SCHUBERT

Jason Schubert grew up in Pecatonica, Illinois, and has spent his career helping people grow, leading development programs for organizations around the world. He brings that understanding of what people carry beneath the surface to The Intimacy Series. *Seasons of Intimacy* (2025) was his debut; *Secrets of Intimacy* followed in 2026.
