

ONE CHANCE ENCOUNTER.
ONE EVOLVING LOVE STORY.
And *secrets* still waiting to be discovered.

THE INTIMACY SERIES

A slow-burn contemporary romance told through the seasons, with poetry and love letters woven throughout. Each book stands on its own.

SEASONS OF INTIMACY

Book One · A Story of Timing & Trust

A snowstorm. A roadside motel. One room. That's where the clichés end.

When a chance encounter brings two strangers together, neither expects more than a night of awkward conversation. But as the seasons pass, what begins as an unlikely connection deepens into something quietly undeniable: a bond built not on promises, but on presence.
